[Micro-Sys A1 Keyword Research Free Download](#)

The screenshot displays the A1 Keyword Research 1.1.3 (unregistered, 31 days left of trial) - new project window. The interface includes a menu bar (File, Edit, Table, View, Tools, Options, Help, Lingua), a toolbar, and several panels. The main panel shows a table of extracted keywords and their density analysis. The 'Raw text input' panel shows the HTML source code of the analyzed page, and the 'Keyword list output' panel shows the extracted keywords. The 'Tools' panel on the right offers various analysis options, and the 'Stop words filter' panel shows a list of stop words.
